Development and Social Change - Google Books
"Development and Social Change is a richly described and
well written survey of change in the post-1950 periodThe
first edition was a practical and accessible contribution to
the literature on social change.

Development and Social Change - Google Books
In his Fifth Edition of Development and Social Change: A
Global Perspective, author Philip McMichael examines the
project of globalization and its instabilities (climate,
energy, food, financial crises) through the lens of
development and its origins in the colonial project. The
book continues to help students make sense of a complex
world in transition and explains how globalization became
part of public discourse.

Education and Social Change (5th ed.) by John L. Rury (ebook)

This brief, interpretive history of American schooling focuses on the evolving relationship between education and social change. Like its predecessors, this new edition adopts a thematic approach, investigating the impact of social forces such as industrialization, urbanization, immigration, globalization, and cultural conflict on the development of schools and other educational institutions
